COUNCIL OF MOTOR CLUBS ANNUAL DISPLAY DAY CONCOURS RULES

1. Clubs are permitted to enter multiple vehicles for Concours judging but they must be in different categories. Two vehicles from the same Club will not be accepted if they are in the same age group – please check the categories. Veteran, Vintage (1920-1930), 1931-1939, 1940-1949, 1950-1959, 1960-1969, 1970-1979, 1980-1989, 1990-2004 and CVS (Modified).
2. Each vehicle must be fully registered or Conditionally Registered. This is the only way we can allow you to take part in the Parade Laps.
3. Entries will only be accepted from Clubs that are financial and affiliated with the CMC or are in the process of applying for affiliation.
4. Each vehicle is to be mobile and, if trailered to SMSP, must be driven to the Concours Area from the trailer parking area outside the tunnel. Trailers cannot come through the tunnel on the day as it causes disruption. If seen doing so, the vehicle may be excluded from the Concours event.
5. **Concours vehicles must be placed within the Concours Judging Area (in the pit lane) by 9.00am SHARP. THERE WILL BE NO EXCEPTIONS.** Entrants should leave home early to allow for any traffic hold-ups, punctures and delays in entering the circuit etc. 2,000 vehicles have entered so the traffic will be heavy around 8.00 to 9.00 am.
6. Vehicles entered for Concours, which form part of a Club's Special Display and are located in the garages adjacent to the Pit Lane may stay there. Provided notification is given, the Judges will carry out their judging tasks within the garages.
7. Samples, documentary evidence, handbooks etc, for judging authenticity should be left on the front seat or in the boot during the judging period.
8. Safety items added to the vehicle will not incur penalty points, if fitted correctly and they comply with the Motor Traffic Act. Examples are seat belts and turn indicators.
9. Please remain with the vehicle until the engine compartment, lights and interior have been inspected and judging completed.
10. Please be aware that **JUDGES WILL NOT OPEN BONNETS.** Members of the Judging Pool will request owners to open the bonnet of their vehicle/s.
11. Please leave all doors unlocked and clear of picnic and other equipment.
12. Where side curtains are fitted, they should be removed, but left in view and the convertible tops raised.
13. Once these activities are complete it is best that entrants leave the Judging Area, as the presence of people near the cars seems to invite the public to cross the barriers.
14. At approx. 2pm all Concours entries will do a parade around the track prior to Trophy Presentations in pit lane. Please be with your vehicle around 1.30pm ready for this Parade.
15. The Trophy Presentations will take place at the Western end of Pit Lane after completion of the Parade Laps. **All entrants are required to attend that Presentation as it is most embarrassing to call out winner's names and not have them in attendance for the Special Guests to present the Trophies.**
